We love dogs here at The Moss Beach Distillery

Please help us continue to provide a dog friendly patio by following these simple rules:

- Please DO NOT bring your dog(s) inside the restaurant at any time for any reason.
- Owners must have control of your leashed dog(s) at all times. NO AGGRESSIVE DOGS!
  - Misbehaving dogs and their owners will be asked to leave.

Having your dog on the patio is at your own risk and the Moss Beach Distillery will not assume any responsibility for your dog or other dogs' actions or behaviors.
